NAIC AND NIPR ANNOUNCE PLANS FOR 2007 E-REGULATION CONFERENCE

KANSAS CITY, MO (October 10, 2006) – The National Association of Insurance Commissioners (NAIC) and National Insurance Producer Registry (NIPR) are pleased to announce that the 8th Annual NAIC/NIPR E-Regulation Conference will be held on May 6-9, 2007, at the Kansas City Marriott Downtown. The conference is the premier insurance regulatory business and technology event and has attracted over 600 regulatory and industry attendees interested in the many facets of insurance regulation, including producer licensing, rate and form filing, market regulation, company licensing and technology.

The E-Regulation Conference features keynote presentations from NAIC commissioners, up-to-date information on key NAIC membership initiatives and the latest technology solutions, informative panel discussions and hands-on training, opportunities to learn about business partner offerings, access to state producer licensing, company licensing, market analysis, and rate and form filing staff, and much more.

The Kansas City Marriott Downtown is located at the heart of the city's business, government, and theater districts, and features a two-tower complex unique among Kansas City hotels that combines newly restored historic elegance with modern luxury.

Further details regarding the conference agenda, keynote speakers, and registration will be available in early 2007 at the following Web site:
<http://www.naic.org/ereg>.

About NIPR

Incorporated in October 1996, the National Insurance Producer Registry (NIPR) is a non-profit affiliate of the National Association of Insurance Commissioners (NAIC). NIPR developed and implemented the Producer Database (PDB) and Electronic Appointments/Terminations (formerly PIN). NIPR is governed by a board of directors structured to include seven members representing the NAIC and six industry members representing a cross section of the insurance industry. For more
